

# CLiHC 2007

innovation inspired by diversity

**Workshop on Perspectives, Challenges and Opportunities for  
Human-Computer Interaction in Latin America**

**Rio de Janeiro, Brazil · September 10-11, 2007**

- Why we are here?
  - CLIHc is an effort to bring together researchers and practitioners working on the areas of Human-Computer Interaction
  - The HCI Latin American community is diverse, rich and active
  - We are here to meet, learn, share and build a foundation to set a unique HCI Latin American perspective
